Beg for Mercy Toni Andrews Another free title i picked up along the way, I decided to relax and read this on a cold winter day. This paranormal book has a nice twist to it. A mix of the mostly hapless young woman who has a secret power, a bit of scooby doo sleuthing and a touch of romance makes this a great read.

So Beg for Mercy turned out to be a wonderful surprise. Not truly a romance (although Sam can put his deck shoes under my bunk any time!), this is the first book in a series that introduces one of the most complex and compelling

anti-heroines I've ever met. Mercy's encounters with the villainous Dominic raised the hairs on my arms! The book is also full of dark humor - Andrews' voice is often

Katie's Reading...: 'Beg for Mercy' by Toni Andrews

Beg for Mercy is a paranormal tale with light romance thrown in but what drives the story forward, and kept me turning pages well past 2 in the morning, was the search and rescue of Sukey. The first in a series, Angel of Mercy has a release date of May 2008, and I can't wait to see what adventures Mercy will have next.
