Better When He's Bad: A Welcome to the Point Novel

Better When He's Bad is the first book in this new series. The world it takes place in is not black or white, rather it's a gray world where rules and laws are broken for the characters to live life. The main characters in this book are not rich or successful. They are just trying to live their lives day to day. Bax had just been released from prison. He wants to know why he was sent to jail.

Better When He s Bad by Jay Crownover Addicted To Romance

A criminal, a thug, and a brawler, he's the master of bad choices, until one such choice landed him in prison for five years. Now Bax is out and looking for answers, and he doesn't care what he has to do or who he has to hurt to get them. But there's a new player in the game, and she's much too innocent, much too soft and standing directly in his way.
