Financial Sector Assessment Program (FSAP) - World Bank

The Financial Sector Assessment Program (FSAP) is a joint program of the International Monetary Fund and the World Bank. Launched in 1999 in the wake of the Asian financial crisis, the program brings together Bank and Fund expertise to help countries reduce the likelihood and severity of financial sector crises.

Canada: Financial System Stability Assessment-Update

The Canadian financial sector is among the world's most highly developed. The five large banking groups that form the core of the system are conservatively managed and highly profitable.

A COMPARATIVE ANALYSIS OF THE PERFORMANCE OF CANADIAN AND ...

lending and investments (Assessments of Canada's Banks-

Fall 2008: An Update, 2008). Similarly, the performance of Canadian banks has been given more credit from journalists, economists and financial analysts during this financial crisis than that of the U.S. banks. For example, the 2008 Financial System Stability Assessment report written by the International Monetary Fund (IMF) concluded
