New York Times best-selling author Janet Evanovich is moving into the fast lane with Merro Girl, a thrilling, high-octane misadventure with high stakes, hot nights, cold-blooded murder, sunken treasure, a woman with a chassis built for speed, and one very good, very sexy NASCAR driver who's along for the ride.

Foul Play by Steffie Hall - Goodreads Share book ...

Evanovich describes these early books as "red-hot

screwball comedies” and while I do agree with the screwball comedy, “Foul Play” was very much G-rated. So if you enjoy a very light romance with side-splitting laughter, this is definitely a book for you.
