Glory Daze by Jim Chalmers - Goodreads

Some useful economics and anecdotes for political watchers, but I found Glory Daze a little too self-congratulatory. I'm sure Wayne Swan's efforts during the GFC were under appreciated, but I think Jim Chalmers goes too far the other way in applying praise to his former boss. No doubt we will hear more from Chalmers, who is standing for the seat of Rankin, as the ALP reinvents itself after the election. The statistics about the economy give a welcome sense of perspective in the midst of the part.
