Editorial Reviews. Holy smokes, this book was very addicting. I loved everything about this book, from the beautiful cities of London, Paris and Italy that Maggie gets to see, to the swoon worthy guys that have captured her attention, jealousy, secrets, and of course the sizzling romantic chemistry.

[I See London \(International School, #1\) by Chanel Cleeton](#)

[I See London](#) by Chanel Cleeton is a fun read about a young woman named Maggie that moves from the United States to London for College at the International School of London. She is young, naive and at times unsure of herself. Especially when it comes to the opposite sex. Upon arrival she has a run in with a fellow student Samir. He is nothing like the boys back home. Samir is a rich, sexy half

I definitely can't wait to see how it all plays out in [London Falling](#), the sequel to [I See London](#). Great job, Ms. Chanel Cleeton!! I don't much enjoy New Adult books but this one was just the right amount of fun, and college, and not too much angst. I definitely recommend you guys check it out. :)
