The World Bank assessed the insolvency and creditor or debtor regimes (ICR) of Moldova pursuant to the joint international monetary fund (IMF) and World Bank initiative on the observance of standards and codes (ROSC).

**Guernsey : Financial Sector Assessment Program Update ...**

Stress testing (ST) was undertaken as part of the Guernsey Financial sector assessment Program (FSAP) Update in order to assess the resilience of the Guernsey financial system to a variety of potential strains. The approach taken was a simulation of the effect of a potential double-dip recession on solvency of Guernsey banks and insurance

**Financial Sector Assessment Program (FSAP) - World Bank**

The Financial Sector Assessment Program (FSAP) is a joint program of the International Monetary Fund and the World Bank. Launched in 1999 in the wake of the Asian financial crisis, the program brings together Bank and Fund expertise to help countries reduce the likelihood and severity of financial sector crises.

united states financial sector assessment program stress

...

Description : This Technical Note discusses key findings of stress testing on the United States under the Financial Sector Assessment Program. Several stress tests were used to quantify the potential impacts of risks and vulnerabilities in banking and non-banking sectors. The stress tests run by the authorities and by companies under the Dodd-Frank Act (DFA) suggest that most large bank
