Skies of Fire (The Ether Chronicles, #1) by Zoe Archer
Skies of Fire by Zoe Archer is the first novel in the Ether
Chronicles Series and I have to say it was very different
from what I normally read, but definitely enjoyable. There
is a lot of world building in this book, especially in the
beginning so you have to stay focus to keep up with all the
information.

REVIEW: Skies of Fire by Zo Archer | Hot Sauce Reviews

Zo Archer's Skies of Fire is the first story in a series called The Ether Chronicles, which is co-authored with her husband Nico Rosso. This one is a nice standalone story, but I can't promise that the others will be the same, heh.
