"The Girl in 6E is uniquely twisted and captivates from the beginning. The premise is entirely original, as are the characters and the pacing. The main character may be a cold killer, but inside is a woman with a soul who sacrifices everything to keep from unleashing herself on the world. Torre has written a beautifully warped thriller that will be staying with this reviewer for a long time."

The Girl in 6E is the first installment in A.R. Torre's dark/erotic thriller series titled: Deanna Madden. The Girl in 6E is a wild, wild ride. I can honestly say it's unlike any book I've read before. I learned much more than I ever wanted to know about the profession of CamGirls and the sexual interests of the clientele. But I loved the character building of the lead: Deanna. She's

A.R. Torre's *The Girl in 6E* took me a bit by surprise, not knowing what to expect beyond a story about a recluse.

The story follows a camgirl named Deanna who goes by the name Jessica online as she describes her online experiences to the reader and her urge to kill, which is the cause of her self-imposed isolation from humanity in the titular apartment. The closest comparison I can draw
