The Meritocracy Myth - Stephen J. McNamee, Robert K ...

The Meritocracy Myth challenges the widely held American belief in meritocracy—that people get out of the system what they put into it based on individual merit. Fully revised and updated throughout, the second edition includes compelling new case studies, such as the impact of social and cultural capital in the cases of George W. Bush and Barack Obama, and new material on current topics such as the impact of the financial and credit crisis, intergenerational mobility, and the impact of
