The Spy Who Saved Christmas (SDDU, #10) by Dana Marton

The Spy Who Saved Christmas by Dana Marton is a fairly quick read, perfect for those with limited time for reading. This well written story is full of suspense, action, a little humor with a bit of steam added. Reid and Lara's second chance story is fast paced, and I love how Ms Marton lets the story unfold. I enjoyed The Spy Who Saved Christmas and look forward to reading more from Dana Marton in the future. This is a complete book, not a cliff-hanger.
