And now, the wizards of Unseen University must win a football match, without using magic, so they're in the mood for trying everything else. The prospect of the Big Match draws in a likely lad with a wonderful talent for kicking a tin can, a maker of jolly good pies, a dim but beautiful young woman who might just turn out to be the greatest fashion model there has ever been, and the mysterious

This version of Unseen Academicals is not a patch on the original version narrated by Stephen Briggs. This audio book only follows a general outline of the original book changing the context and character out of all recognition. The back story and character development are all missing so that you don't come to love the individual characters and get really involved in what happens to them.
